NOTICE TO EXHIBITORS

1. The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport and that their dogs are familiar with and are able to perform all obstacles safely.
2. All dogs must be on leash or crated at all times except when in the ring or when in the designated agility warm-up area. It is expressly understood that exhibitors alone are responsible for the actions of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive activity, may, at the discretion of the Trial Committee, be asked to leave the Trial Site.
3. Food and toys are not permitted in the course area and handlers are not allowed to use whistles or other instruments or devices.
4. Bitches in season are not permitted in the trial. Prior to the show start of the show refunds will be given and no vet statement is necessary.. No refunds will be giving after the show starts.
5. Exhibitors are responsible for being at the ring gate when it is their turn to run.
6. Exhibitors may wear shirts or insignia of their training group if they wish.
7. At the handler's option, the dog may wear a flat (buckle or quick release) collar without tags or other attachments. Choke collars, pinch collars, electric and dummy electric collars are prohibited.
8. Unsportsmanlike conduct, including rough handling or misconduct of any kind, will result in being excused from the ring.

Obstacle Familiarization— Obstacle familiarization will be held Saturday and Sunday mornings 30 minutes prior to judging for dogs and handlers who have not previously seen TDAA equipment.

Warm—Ups: A warm up area, consisting of a regulation agility jump, shall be provided for all exhibitors.

TDAA uses scaled down equipment on a proportionally set course. All obstacles will be on a small dog scale. See www.k9tdaa.com for details.

Show Site: The show site is indoors on mats. We ask that you exercise the dogs outside and pick up after them.

Eligibility: This trial is open to all dogs 17 inches and under at the withers that are over 12 months of age, except bitches in season, aggressive dogs or dogs suffering from any deformity, injury or illness which may affect a dog's physical or mental performance.

Mixed breeds are welcome.

GAMES CLASSES

Judge's Briefing on the day of the trial supersedes any previous briefing.

Ranger Baseball: The dog is required to perform the obstacles in sequence at the handler's direction and in order designated by the judge. Bonuses are awarded for each base the dog gets to while the handler leaves the dog in a stay at the start line, stands inside the area designed as the pitcher's mound (Around the center of the course), and remains on the pitcher's mound throughout the dog's performance. If the handler leaves the pitcher's mound before the dog completes the course, the dog will be faulted, and no subsequent bonus will be earned.

Scoring: The game is scored time plus faults minus bonuses.

Three-Tunnel Barrel Racing : Created by Nancy Creel. In equine barrel race, the horse and rider run a cloverleaf pattern around three barrels. In Three-Tunnel Barrel racing, the dog must do the same. There are no specific performance faults, but the dog must complete the pattern.

Scoring: Time only. No faults are counted but the dog must complete all three tunnels in the correct direction to get a time.

Texas Wildcard: Run like a standard course but the difference from standard agility is at three designated points on the course the handler, or possibly the dog, will have a choice of taking one of two obstacles for that number in the sequence, which is called the Wildcard. The two obstacles for the Wildcard are placed approximately parallel to each other. One of each pair of Wildcard obstacles is valued at 1 point and the other is worth 2 points. Depending on the dogs level, the handler must develop a strategy to collect the appropriate combination of 1 and 2 pointers to qualify.

Scoring: Faults, then time. The lowest score wins. Time is a tiebreaker only.

Wild West Pinball: The purpose of Wild West Pinball is to accumulate as many points as possible in the time allotted: 50 seconds. All dogs start at the Gold Bone Tunnel open tunnels have no point value. Jumps and tire are worth 10 points and can be taken any number of times but not back to back. "Gold Nuggets" are 50 points (Weaves), they must be completed in their entirety (no pop-out fixes). Multiply attempts to correct are allowed. Can only be taken twice for points and can not be done back to back. "Cowdog Cliff Hanger" (the teeter) is worth 100 points. Can only be taken twice for points and can not be done back to back. The Cowdog Cliff Hanger can only be attempted by passing through the Dead Dog Round Up tunnel first.

Scoring: Points minus faults, then time. Time is a tiebreaker only.

Height Divisions

Dogs that run in a height division lower than their proper division will be eliminated. Provisional dogs must be measured by a judge.

4" jump height: For dogs 8" and under at the withers; long backed dogs 12" or less; dogs 12" or less with a 50% or less leg to shoulder ratio.

16" jump height: For dogs 17" and less at the withers.

Jump Height Exemptions

"Special provisions are made for dogs that are long-backed; have a weight to height exemption; or who have dwarfish legs. (See rules for complete description of height exemptions)

A jump height exemption (next lower jump height) will also be granted to veteran dogs. (dogs of at least 7 years of age)

VOLUNTEER SIGN UP

Volunteers are the backbone of any agility trial. By its very nature TDAA is small. Small dogs, small equipment and a small number of handlers. We need all hands to make a small trial work. Please sign up to volunteer to work during classes that you are not running in.

We will make sure that you get adequate time to warm up your dog and do your walk-through. We want everyone to have a pleasant experience running TDAA and at the same time helping to make the trial run smoothly.

Fast Track Move Up

How the Fast Track Move Up Works

Titles may be grandfathered from other organizations on a "Fast Track" basis.

A dog with a higher title may move up on the same day to the next level of TDAA competition with a qualifying score.

It is possible to move up from Beginner to Superior on the same day if the dog qualifies first in Beginner and then qualifies again in Intermediate.

Likewise, in Games classes, moving from Games I to Games II and then from Games II to Games III.

A qualifying score in the lower class is required to move up to the next level. The dog's owner must submit a copy of title certificates for the dog.

The fee must be paid at this trial even if it was paid at an earlier trial.
